SUB: INDUSTRIAL TRAINING PROJECT WORK OF 4/6 SEMESTER FOR B.TECH STUDENT

DEAR SIR/MADAM

Our Institute was established by Kurukshetra University, Kurukshetra as an Institute of Excellence for developing a knowledge pool of quality technocrats in and around the Region. Currently the institute is running B. Tech courses in Computer Science and Engineering, Electronics and Communication Engineering, Mechanical Engineering and Biotechnology. The institute is also running M. Tech in Software Engineering, Computer Science Engineering (credit based), Electronics and Communication Engineering (Credit based) Biotechnology (credit based) to excel the R&D in these field.

The students of 4th/6th semester of the institute are required to undergo industrial Training/project work for 6/8 weeks during _____ to _____ in some Reputed organizations/industry as a part of there curriculum.

I therefore request you to kindly permit and make necessary arrangements for training of Mr./Ms. _____, roll no. _____, a student of B. Tech (_____) 4th/6th semester of this institute at your esteemed organisation.

Looking forward for favorable consideration at your end.

Thanking you,

Yours faithfully,

Director/Training and Placement In charge
